

Sani-24[®] Continuously Active Disinfectant¹ Technology Overview

Sani-24 disinfectant minimizes the risk of HAIs by forming an antimicrobial shield on surfaces to kill ESKAPE pathogens¹ for up to 24 hours.

STANDARD DISINFECTION

CONTINUOUSLY ACTIVE DISINFECTION

Continuously Active Disinfection (CAD): Revolutionary technology that helps break the chain of surface re-contamination.

IMMEDIATE DISINFECTION

12 HRS LATER

24 HRS LATER

Standard disinfectants and **Sani-24** disinfectant immediately kill pathogens on surfaces. When used as directed, **Sani-24** disinfectant applies an antimicrobial shield that continues to disinfect surfaces for up to 24 hours.

With standard disinfectants, pathogens can immediately contaminate a surface as soon as they come into contact with it. **Sani-24** disinfectant is the first and only option that provides Continuously Active Disinfection (CAD), breaking the chain of surface re-contamination.

Unlike standard disinfectants that allow pathogens to continue to re-colonize until the next time the surface is disinfected, **Sani-24** disinfectant with CAD continues to protect surfaces against ESKAPE pathogens for up to 24 hours.

BE THE DIFFERENCE

Ready to use wipe and spray for 24 hour protection and ongoing confidence between disinfection protocols.

- + The first and only EPA-registered disinfectant with continuously active disinfection (CAD), providing the ability to control HAI causing microorganisms.
- + When used as directed, **Sani-24** disinfectant provides an antimicrobial shield that is clinically proven to disinfect surfaces for 24 hours.^{2,3}
- + Wipe and spray formats provide 1 minute disinfection for a broad spectrum of organisms.
- + Effective against SARS-CoV-2 (COVID-19).
- + Bactericidal and virucidal.⁴
- + Quat Alcohol formulation is compatible with a broad range of surfaces and equipment in the healthcare environment.⁵

Sani-24 disinfectant is ideal for high touch/high traffic areas such as:

	REORDER NO.	WIPE SIZE	WIPE COUNT	CASE PACK	TI/HI	CASE WEIGHT	CASE CUBE
Sani-24® Germicidal Disposable Wipe							
Clinical Wipe Size Canister	P26672	5 x 6"	160	160/can, 12 cans/case	10/3	23.7 lbs	1.430 ft ³
Extra Large Canister	P23284	7 x 12"	65	65/can, 6 cans/case	10/4	13.6 lbs	0.936 ft ³
Sani-24® Germicidal Spray							
Spray Bottle	X14109	n/a	n/a	32 oz/bottle	13/3	20.00 lbs	1.054 ft ³
